### Réflexions / observations

The first phase of the "MRE Academy" programme was launched in June 2020 with the signing of a framework agreement with the Office for Professional Training and Work Promotion. The Ministry mobilises the MRE competence networks to identify experts for the implementation of training engineering programmes and the animation of training sessions for the benefit of trainees. The OFPPT determines the main areas of intervention of the MRE experts and ensures the logistics related to their missions.
