

## Diaspora 4 Development Grants

### Grant award

### Call for applications 2024-2025

“Diaspora 4 development grants” (D4D Grants) is managed by the EU Global Diaspora Facility (EUDiF), a project implemented by the International Centre for Migration Policy Development (ICMPD) and funded by the European Union (EU).

The award decisions for the D4D Grants call for applications 2024-2025 have been made and the selected projects are currently in the contracting phase. All the grants listed in the table are under:

- The project “EUDiF II”
- The activity “Technical and financial assistance (grants) for diaspora organisations”
- The grant scheme type “Call for applications”
